

## Shy Eels

Hello, everyone! I'm your ALT this year. How are you? I'm good. I can't travel or meet my friends during this year's Golden Week, so I spend a lot of time watching movies or talking with my friends on the phone. My friend told me the interesting news about the garden eels at Sumida Aquarium. Do you know the garden eels? The aquarium needed help. Their garden eels became scared of humans because no one can visit the aquarium now. So they asked people to video chat with the eels. I tried calling. I tried many times, but the line was busy. I guess many people want to video chat with eels.
